# Congratulations

---

Congratulations on your engagement and upcoming nuptials!

We are honored and delighted that you are considering The Big Sur Area for your wedding, and we would be pleased to assist with any and all of your wedding plans. We pride ourselves in working closely with each couple to custom design their wedding. We specialize in planning an exquisite reception menu, choosing the perfect ceremony location, offering recommendations for award-winning vendors – all this to achieve our goal of creating unforgettable wedding weekends.

At Big Sur Lodge, planning is easy:

## **FIRST – Take Your Pick (or we can customize your wedding for you)!**

- Pick Your Location – each with individual personality, but all boasting great views, atmosphere and intimacy
- Pick Your Event Package – our Event Packages are outlined and detailed for your planning convenience. Choose a package that most directly suits your needs and then we can build from there.

## **SECOND – Dinner is Served**

- Build your menu. Choose from the masterful creations of our Chef and Culinary Team... or ask us to custom build a menu specifically to your tastes.

## **THIRD – The Bar**

- So we can most appropriately accommodate your needs, our Wedding Packages do not include bar service. This allows us to customize your beverage service to your desired level.

## **FINALLY – All the Little Extras**

- Want to add a little “oomph” to your evening – choose some extras– additional pricing will be provided.

## **THE ICING ON THE CAKE**

- One evening of celebrating is hardly enough! Allow us to host your Rehearsal Dinner, Farewell Brunch, or both! Talk to our catering team to learn about our special offerings, custom cakes and desserts, etc.
